

lovely 2 bedroom 2 bathroom finca with wooden guest house

Beautiful and enchanting country house built in 2009, with two bedrooms and two bathrooms, one with bathtub and the other a shower bath. There is a living-dining room with log burner, an independent fully equipped kitchen and storage; the double bedrooms are equipped with inbuilt wardrobes. There is underfloor heating; the bedrooms are equipped with air condition units. Furthermore, there is a little wooden house for renting out or for visitors, with a carport. Belonging to the main house there is a garage, a bodega, a generator hut and storage apart. The electricity is produced by voltaic technic and solar panels, also the hot water, but there is also a generator run with gas, and a gas tank. There is a water deposit of 44,000 l, and a rain collecting system. The land has typical Mediterranean plants, and olive and almond trees. On the grounds is furthermore an old ruin. The land is partially fenced. The main house has 180 sqm, the visitors house 70 sqm.
